

## **Safeguarding Policy**

### **Introduction**

The purpose of this document is to ensure that everyone associated with Playermade is operating with a child centred approach, under the strict guidance of our policies and procedures. This document is an essential part of practice for anyone and who delivers training, undertakes training or is associated with Playermade in any other capacity.

### **Mission Statement**

We exist to help players unleash their elite. That means giving them more than just our expertise. It needs our commitment. Obsession. Conviction. Ambition. It means believing in them and in their ability more than they believe in themselves. Empowering them with a winner's mentality and a mindset that says eliteness can be achieved. And that's why future greats will be Playermade.

### **Our Aim**

Our aim is to create a harmonious social environment where children and young people associated through sports can learn, train and exercise safely. Under structured and educated exercise young people are able to flourish, reaching their full and true potential in order to have a long, prosperous and successful relationship with sport.

### **Our Duty**

As persons entrusted with the care of young people it is our duty to ensure that we are confident, advised and capable of limiting the risk that to anyone and everyone associated with our services.
